

**FY2022 Diversity and Super Global Training Program for
Female and Young Faculty (SENTAN-Q)**

Reason for application

***This document is to be filled in by the candidate.**

Name of candidate (faculty name)	()
Describe the following in relation to your participation in SENTAN-Q (do not exceed 3 pages in total).	
1) Describe the reason and goal for participating in the program to develop international research and educational skills including overseas training. Also state candidates for mentors (overseas universities) for STEP 4 and STEP 6, if any.	
2) Describe your career plan and future perspective as a university faculty/researcher, and activities to achieve these goals, if any.	

3) Describe your view on the aim of this program to learn about new problems surrounding the university and society with students.

4) Describe how you recognize the importance of diversity and inclusion in society and university.

5) Describe what you expect from the training or specific questions, if any.
